“ Still can't believe it ended like this bub. You were always a good friend, you always made those around you feel comfortable. You had respect, character, and loyalty that's so hard to find nowadays. I regret not checking up on you like you did me. I'll keep the good memories and live with the regrets. All I hope is that wherever you are, you're finally getting the love, loyalty and belonging that you gave us while you were here. Rest easy Jeff.
