“ Kenneth Ray!!!! I dont even know what to say right now bub... idk what I'm gonna do without you. Got less than 3 days, and I'll never physically see you again in my life. If I would have known our last conversation, would have been our last conversation, I wouldn't have rushed off the phone so fast man.. you were endless wisdom and encouragement in my life bub. We were supposed to take a roadtrip to cali when you got home... I was hunting for you a bike, and we was gonna get ally her first car.... we had so many plans man. You're sister was so happy to see you out here doin the thing. You really made a change man, I had my brother back. I just wish there were more answers. I wish I would have had a chance to talk to you first... the world is alot more gray with you and brittany gone, for real. I've lost so many people lately, and have so many more, who's time is gettin shorter. You are who I go to for these times... so now what?? If there's a way for you to talk to me from wherever your at, you better man. If there was a pay phone to call you, I'd sell my soul for unlimited calls bruh. Swear. I love you so much Kenny. I'll see you soon bro.

P.S. when it's my time... you better be there in that old black dodge pick up, to get me honky.
XOXO
