“ Jean has always been "mom" to me. Mother of my dearest friend Ali, briefly my mother in law, grandmother to my oldest son. I have way too many wonderful memories to post here. She mothered me when my own couldn't. I was blessed to help care for her a few times in recent weeks, and let her know how much she meant to me. Her last words to me were words of reassurance. She will be missed, and mourned deeply. By myself, and by so very many others. To know her was truly to love her.
