“ Alice and Don were close friends for many years with my parents, Don and Letha Jordan. They met at the Elks Lodge where the two "Dons" were members. There were frequent card parties with a group of friends from the Elks who also often vacationed together.

My mom would draft me and Alice to help with decorating and set up for Elks Lodge functions. So I got to know Alice quite well. I admired some of her sewing which garnered me a beautiful tailored vest made from an upholstery fabric which my grandmother had kept when my grandfather's favorite wing backed easy chair needed recovering. I still have it and still love it. Love Alice too, for making a memory for me.

Alice will be well remembered! She led a full and happy life and I'm so glad that she shared it with us. I have some photos I'd like to add if I can figure out how. Will try this later.
