“ Share a memory of AMANDA JO MARTIN, or send condolences to the family...I am so mad at u Mandy. I talked to u all week before ur death an that week u were so heavy on my heart.i knew u were struggling and I have been where u were at in ur head that week. I wish u would have came to this sober living house with me. I'm so glad I got to meet u and how u were their for me. We were closest buddies in rehab and I have so many great memories we shared! One that really sticks out is when we both screamed when we seen each other in the dark an how we laughed when we realized it was us. I miss our heart felt talks. I wish things would of turned out differently. My heart aches for ur boys an I keep them in my prayers

We used to laugh with you being the oldest sister of Kayla Jo and Billie Jo and me your other step mother Nancy Jo! I was there when you had both Ryan and Joey ! I had to tell you when Big Ryan passed away ! After that your soft heart was never the same! I love you and your brother as you all were my own children! Ryan and Joey will always have me as there grandma forever loved and looked out for ! My heart cries out in pain for losing you so soon ! Always loved and never forgotten! Your other mother Nancy Jo
