“ Amy took me to my first concert when I was 14. I wanted to see color me badd. They opened for Paula Abdoul. It was a blast. I felt like one of the big dogs hanging out with Amy and Shauna. “ Amy was an amazing woman. She went out of her way for me on countless occasions. She really was a second mother to me, and it just breaks my heart she is gone. But she is in a better place and no longer in pain. She may be gone, but she will never be forgotten. I love you, Amy.
