“ *I was best friends with Amy at Bishop Fenwick High School when it was on Manchester Road and we played softball together in high school and on summer softball teams throughout the summer months during and after high school. During high school, I remember spending time with Amy at her house on Manchester Road and how much she loved her parents. Her father supported her fondness of softball and attended many a game back in the day. Amy loved her mother very much and would always tell her mom, "I love you" before leaving the house. Amy was an excellent shortstop, had a great sense of humor and we never stopped smiling and laughing together as friends. She will be forever remembered as loyal, dear friend. Amy, you left us too soon.*
