“ *To Bob and Terri, Maxine, Doug, Janet, and all members of the Evick family:*

Cindy and I are saddened by Bro Ancile's passing and grieve with you, but we also know and rejoice in knowing, that he is more alive now than ever before! That engaging, warm smile that was all "Sonny" is glowing today because he is with Jesus!

We are sorry we are not able to be with you for Bro. Ancile's homegoing celebration today. We love you all and miss you so much. You have no idea how much your friendship and love expressed to us has meant over the years.

I encourage you find joy in great memories and to rejoice in the hope that is yours knowing you will see your husband, father, and grandpa again!

We are praying that the Lord will comfort and lift you up!

“ To Doug and Vicki,
Ken and I had just talked about your dad last week when we were reminiscing about our favorite teachers! I often read the local obituaries and was so sad to read your dad's. We lost both of our mothers this year so we are keeping you in our thoughts and prayers.

Fondly,
Ken and Ruth Bussell

“ I first knew "Mr. Evick" as my Geography Teacher in JHS at Monroe.... Later, he mentored me as a young co-teacher at LMHS, only to move along with me to the newly opened Verity Middle School - Ancile taught 6th Grade while I became a Unified Arts Teacher in grades 6-8. Verity that first year was a "pilot school" for the new concept later coming to Middletown City Schools.

Sometime later, Ancile and Maxine and their family became part of the Breiel Church of God Community, the former church home of Sherry and I and our Buck/Loveless Family. Somewhere along the way, Bob Evick married Terri, the daughter of dear friends of ours, Jim and Elsa Croucher..... so an extended family of friends came full circle! What JOY it is to have known this man and his family who have touched so many lives.... PTL!

Prayers, Love, and BLSGS for the Evick, Hogan, and Croucher Families.....

“ I got to know Sonny while working with Maxine at the credit union. He was such a special person. Always had a smile and ready to help us if we needed him, especially if a mouse happened to show up. I always respected him for his integrity, his honesty and for the love he had for his family and God. May God hold you in his palm as you go through the grieving of your very special husband, father and grandfather. You have lost a true gentleman. I know you all have special memories. God bless all of you.

“ Easily the best teacher at Verity middle school while i was there. He introduced me to, of all things, The Newspaper with his current events assignments. To this day I make myself read one article every day. What an incredible person!

“ I got to know Sonny as he was a "counter" at church on Monday mornings and I sometimes subbed for the regular bookkeeper. He was always so sweet to me when I wasn't sure of what I was doing. Super "man of God" and person. I will miss seeing you and your smile on Sunday mornings! Cathy Rager

I got to know Sonny at church on Monday mornings when he came in to count the offering. He was such a nice man. He was a joy to be around. Sonny loved the Lord and his family and it showed.
