“ *I never met you in person, Andy - we were only friends on Facebook. It was clear to me that you had a wonderful sense of humor and were very kind and I always looked forward to your comments and funny posts. It was also very clear how much you loved your children. Since your passing it has been wonderful to see so many of your friends and family share their loving memories of you. I wish for you eternal peace and I hope that thoughts of you sustain your family during this painful time.*
