“ My dear sweet friend Angie, I am still so hurt and absolutely devastated about ur passing and physically leaving this Earth, but at the same time, I'm happy to know that u are no longer in any pain or suffering and that u are reunited with all of ur passed animal and human loved ones that were waiting to greet u in Heaven. Our special lifetime friendship started at Premiere Publications, where we worked together for several years, and then we transferred employers together to KC Marketing and worked side by side for another few years. My millions of wonderful memories of u are some of the best years and friendship of my life and I will NEVER forget u Angie Sue. Please save me a spot in heaven close by u my sweet friend. I will always love and miss u girl, and u will forever hold a very special place in my heart. FLY HIGH now u beautiful Angel, until we meet again. R.I.P. Angie❤️❤️🙏
Love Always,
Holly
