“ *I am so sorry I did not know of this until today, 3/19. I thought the world of Anna. She was such an inspirational and uplifting woman. Always on fire for God. After Jock and I moved to Springfield Ohio I never saw Anna again. But Have thought of her so many times through the years. Quanita, I know you and she were so very close. I love and miss you too. My heart goes out to all your family in this sorrowful time. Anna lives with Jesus now!!!! Thank God for his unspeakable gift!!!! We love you, Kathy Pierman and family.*

“ *Please accept this expression of warm sympathy regarding the death of your loved one. The bible makes this promise: "Your dead ones will live...They will rise up." Jesus said:... "The hour is coming in which all those in the memorial tombs will hear my voice and come out". (Isaiah 26:19) (John 5:28, 29) May the "God of all comfort" be with you and may you find peace in the wonderful resurrection hope.*

“ *I cannot say enough about this special lady, my and my 3 daughters good friend. She was my mother Carolyns best friend, and helped my mother through it when my mother was diagnosed with breast cancer. When my mother passed in 2000, she took us on her heart, and was like another grandma to my three girls and a spiritual mother to me. She taught us a lot about Faith, Love, God, Patience, forgiveness, I could go on and on. My deepest sympathy to her 4 children, and many grandchildren, brothers, sister, and rest of her family and friends. She was very proud of you all, and told us many great stories about you. My girls and I will have a big void in our lives, but I know Anna is rejoicing now, and Heaven has gained a beautiful lady. Peace and Blessings, Love, Robin Feicht*

“ *What can I say about my aunt Anna, I believe the fondness memories I have was when she lived with us in California, she would take me to the beach at night and we would walk the piers and watch the tide come in, we would race the waves as they came further inland. One of her favorite things to see in California was the Grunion runs, we both got a big kick out of the event which happens a couple times out of the year. Her remarkable perseverance was undoubtedly her best quality. I know I never had the faith she had and that is something I will always remember. I am happy to know you will be with your sisters again. You will always be remembered...*

*Love,
Allen*
