“ I think about Barb fairly often, my mother and her were close friends while I was growing up. We used to go and visit Barb and Dale all the time. When I was a kid I loved just popping over for a visit, they had a pool and I loved it. I see now that I am an adult these times were important for my Mom Jo and Barb to chat, so I am thankful she had us over. My mom died in November of 2020 so we didnt have much contact with her and Dale for a handful of years, but we found their info and invited them to her memorial service. When Dale shows up alone he told us that Barb had also past in those handful of years. We never knew until he told us, that was a bittersweet thing to hear that day. I can only think that Barb and Jo are someone having a chat.

“ I worked with Barb for some years @ Sycamore Hospital in Miamisburg, Ohio. She was very caring and very observant, qualities which enabled her to give excellent care to her patients. We remained friends all these years and for that I am eternally grateful. Sherry Toepfer
