“ *Barbie was a wonderful person. We have been very close for 55 years. I am going to miss her so much We would check in with each other at least 5 times a day. I have so many wonderful memories of our lives together. She loved her son and family so much. Here is a little story. I was living on Burbank in Middletown and Barbie and her baby boy Josh came over to see the house. My daughter was 6 and wanted to play with Josh so Barbie set him on the floor within minutes my little pug come running and started licking Josh on the face. Barbie screamed and scared all of us to death. She grabbed Josh off the floor and kept saying that dog licked my baby.and we started laughing. Oh Barbie I am going to miss you so much. I Love You My Sister*
