“ My thoughts and prayers are with Bobbie's family. I met her only once when she came to Meridian, Ms for training with Atlas. I spoke to her often throughout her years with Atlas and considered her a friend. She was always so kind and a joy to talk to. Heaven gained a beautiful angel.

“ Atlas has lost a great employee, friend and family member. I got to know Bobbie through the years on the phone. We met few times. She was a sweet kind person who was willing to help in any way she could. She will be missed greatly. Prayers for her family and her co-workers. I know how you can get really close to the people you work with daily.

My heart goes out to her sweet family. She was the kindest, most serene person I had met in the sales meetings. Not an unkind word was spoken from her or about her. I know deep in my heart she is better off but Atlas sure is going to miss her! God bless and may He comfort them in their next days of giving their mom and wife to Jesus.

I did not know Bobbie that well but had the pleasure of meeting her a number of times at some of the AE meetings. She was an amazing and incredibly kind individual, just by talking to her you would know this. May she rest in peace and my deepest condolences to her family. Shabir Arcot. Toronto Plant, Canada.
