“ *I can't tell you how many times you pulled me and Les and our three
kids out of a bad situation with food on the table and pampers for
your only granddaughter. How you and all of us loved going to the
Beach Water Park spending the whole day until it closed . Life isn't
going to be the same without you . I wasn't always on the family's
favorites list but you never treated me any different from your only
daughter. That I Thank You for being my Mother n Law . God has
given you your Wings and a Crown of Glory he promised you for
serving him . Love you always . Teresa Briscoe*

Rev. Phil Carpenter I held church services at Arlington for several years. Barbara was always in attendance. She always took part in the services. I remember her worshipping the Lord with her hands raised. She always had a wonderful smile on her face. She will be missed by all who knew her. A very special Lady! Heaven just got sweeter. But if we know Jesus, we will see her again. God Bless all of you!!!
