“ *My condolences to friends and family. Barbara was a class mate in the Class of 1957 ... I have lost contact with many since that year as life has taken me other places. I pray for peace and comfort to all who knew her throughout her life.*

“ *Sorry to hear about Barbara's passing. She has been a special person. We were good friends while in high school. Our lives went separate ways, however we did meet at a couple class reunions. I live out of state, so I cannot attend her services. I will keep her family in my prayers. I'm know she will be missed.*
