“ *I am so sad to hear about Barb. I worked with her at Armco and she was always so much fun. She and Ron went to Florida with my husband and I in our 62 Ford convertible before I-75. I remember Ron hated going through Tennessee on those curvy roads. We had so much fun on that trip. It was 50 years or more before I ran into her at the hair salon. I asked her if she remembered doing the Jackie Gleason exit and her daughter told me still did it. I know she missed Ron so much so hope they have a great reunion. I will be thinking of you and I am sorry I will not be able to attend the services. Praying for your family. Judy Brown-Bishop.*
