“ *What a honor to meet such a wonderful man. We hired in the same day at Tenneco, I can remember thinking I'm gonna like this guy and boy was I right. We became great friends over the years, some of his AK buddies came after us and you could tell they loved him also!! we often talked about our families and our trips to Gatlinburg. No doubt he loved his family, he spoke of you often, there was nothing like his smile and laughter it lit up the room. But the part that stood out to me the most was his love for Christ. In all the years I knew Barry never once did his relationship with the Lord not shine!!! He stood true!!!*

I've always said thru the years, Barry's one of the finest men I've ever met.

I know your heart is broken, but I would encourage you to remember all the good times, remember everything he taught you, and he Loved you all very much!!!!

May God hold you all in his big arms and comfort you like only he can!!!

Heaven is sweeter today because Barry's there.

Love and prayers

“ *What a wonderful man! How can someone so full of life just die? I am saddened to my core! I'll never forget all the verbal abuse he gave me. I looked forward to it every Sunday. I really loved him and I'm so sorry for the pain his family is going through. They've lost a wonderful man! Sending all my love and all my prayers! God bless you all! ❤️*
