“ *So sorry to hear of Bea's passing. She was a good woman! She was so good to my mother and our family. When Mom passed away Bea was right there by her side and loving us in that moment. Know that I will always have fond memories of not only Bea, but of the entire Whisman family. You all were an important part of my life. I am sorry that I could not be there at her funeral service.*

*Love and Prayers always,
