“ *I love you Betty Wells. You will be so missed by family, but I am happy knowing you are no longer suffering and are rejoicing with your sons and family in heaven. My greatest memory of you is that you were the sweetest, kindest person I know. I remember one year I was having a hard time that you and Brandi came over and helped me put my Christmas tree up to help me feel better. I love you so much and you will be truly missed.*
