“ *I'm reminiscing about my many precious childhood memories of Betty and the Banks family. I'm grateful that life circumstances allowed me to spend time with Betty over the past year. She loved reminiscing about the past and sharing stories. Even at 90 + years old, she had such a sharp mind, and conversing with her was truly a pleasure. Throughout my life, I've often thought of Betty whenever I came across a beautiful flower bed filled with various flowers and colors. She will be greatly missed.*

My thoughts and prayers are with the Banks family during this time.
