“ What a great neighbor! We would sit on the doorstep and chat about everything! life, kids, husbands and dreams. Sadly, when she moved away from her "Rickard acres" life and I stayed at "my" place" there, we didn't keep up with each other. once I ran into her and we promise to "get together for lunch". Again, that didn't happen because we both were making our own lives as best we could. Bonnie, I did think of you alot during these past 40 plus years and my friend I pray you are at peace. You will be missed. My prayers to your family
