“ *My deepest sympathy to your family. I only had the privilege of seeing Bonnie a few times, but in October of last year when my Mother was in the hospital, your Mother was admitted across the hall from her, and I got to spend some quality time with her. They had the same Doctor and Nurses and when they would see me they would ask me if I was in the wrong room. I really enjoyed our visits together even though it wasn't the best place to be. As you know my Mom passed in December last year. All I can say now is that our loss of our Mother's is Heavens gain. God Bless and Comfort you.*
