“ Just want to add more to sharing a memory. I love how much she was loved by so many. I left town in 1963 so I never got to see my nieces and nephews grow up but I have many sweet memories of them when they were little. She was a beautiful child who grew up to become an amazing woman.

“ Sending love and prayers to the family. This was heartbreaking news. I always enjoyed seeing her when I visited Middletown. I am so sorry I did not get back in the last few years to see her. Heaven just gained another angel.

Candy was a very sweet person. She was a cousin to my husband Junior May. They played together when they were young. She came to our fireworks at Liz & Ed's house. I went to the quarter auctions with her. We had a lot of fun. I'm so sorry that she is gone now. I loved knowing the whole family. Bonnie May
