“ I've often heard it said a great man or woman may not always be found in the pages of history but you can always find them in the hearts and lives of the people they have touched. Carol was an amazing lady that touched my heart and life. She always had a kind word and smile every time I saw her. She will be missed by everyone. Melissa, Jeff, and family you all are in my thoughts and prayers. As you celebrate a life well lived cherish and treasure all the great memories she's left you. We love you all.
