“ I will never forget the day not so long ago when mike and chip were moving the canopy frame to the front from the back. They kept running into things. Chip got so tickled he couldn't go any further and had us all laughing so hard. He is and will be missed. My condolences to his entire family. Your neighbors mike and diane. Luv you guys.

Joy - my heart aches for you and your son so much! Even though I never got to meet your husband, knowing you growing up, I know he must have had the kindest heart and been a joy to be around. I'm hoping to be at the celebration of life to give you a big hug!
