“ *My second Dad growing up.. When I stayed with you guys, I was treated just like a one of you--will never forget this. I carry it in my heart to this day. The memories we have of getting to spend Friday nights together for the big poker games that would sometimes go till the next morning Lol. These were magical times for me. Me and Todd even had a special little song we'd sing when we knew you guys were coming, Tammy and Craig!! Love you guys always.. And you too Sabrina--I believe you were your Dad's Little Love Bug... Prayers and big hugs to you all, Donna Miller Kennedy P.S. I bet there's one heck of a RUMMY tournament going on up there in heaven right now.. Queen of Spades 50 points-right??*

“ I am so sorry. I loved Lynn so much. We shared lots of memories. He was a great part of my life. Have so many memories shooting trap, fishing and playing cards. The competition between he and I was so great. He taught me so much that I have and will carry through life. Time has passed so fast, I regret I didn't get to spend more time with him in last few years. I will love and miss him so much.

*Bert He thought a lot of you. Seems the older we get we drift apart. I miss him dearly but it makes my heart happy knowing he is with mom and mammy once again.*

*He thought a lot of you Cathy. He made Jeff promise he would take care of you. He won't be as good as dad but he is going to try his best. He promised his papaw that he would make him proud*
