*My Kevin now has all his brothers with him in heaven. Shelley is who I am hurting for now. She has lost her parents, her only sister and 4 big brothers and now carries her childhood memories alone. Know that you are still my sister and I love you! I am proud to be a member of the family!!*

*Damon was more than a uncle. He was one of my best friends. He never judged me or anyone else and was always there for me. He was a true old school guy with a wealth of knowledge that is totally lost in today's society. I have far too many memories to share just one. See you in Heaven Uncle Damon.*
