“ We had so many memories, many that you would probably not remember. But I loved coming to Middletown and being around you and Norma. We had good times together. I know that you are in your mom's arms and at peace. I love you.

“ We had many great childhood memories. They say cousins are your first true friends. Even though time and age separated us, you were always thought of. There will always be the one and only Hammer Sack. Love ya, Gary Wilson. 🙏👊
