“ *Tammy, Tracie, Lee Ann I am truly sorry to here about the loss of you dad. Danny was a big man with even a bigger heart. I will always remember the times he would get out there and play football with all of us guys. I can still remember all of us loading up in his truck and heading to Hueston Woods to cook out and swim. And I remember he didn't hesitate to load me and Brian up and our friends and haul us back to the Naval Base in Philadelphia after someone rear ended us in my car on our way back. He drove all night without any sleep. I will be forever grateful for his friendship and kindness and I hope you have peace knowing that him and your mom are together again.* ❤️🙏❤️
