LM

“ I have many memories of David when we were neighbors in Catalina trailer park. He and his family became like family to me and my family. My most fondest memory was at one of the Halloween party, where he dressed up as an old lady with a wig, he bobbed for apples and his wig got wet and he almost lost it in the water. Kaysi and Crystal I send my love and condolences to you and the rest of the family. RIP David Combs.
