“ Oh her laugh!!! Debbie could laugh like nobody else. Her whole face would light up and you wanted to be part of her joy! One of my first memories of Debbie was watching her cut our grandmother Alspaugh's hair in the kitchen at our grandparents farm house. I can't remember what she said but she was laughing and had grandma going too!  
While Debbie was the first on the scene of the 18 grandkids/ cousins she held boss position like a boss. She was the first one to make sure it was fun and nobody got stitches!  
All good memories.....  
John, hugs, prayers and our door is always open (yes we will feed you) anytime. Thank you for loving Debbie 💕💕

“ Debbie and I met in 1974 about cutting my hair from the haircut on we were very special friends she was in my wedding and she was one of the best friends when I had my house fire. We both attended Flower's by Roger's groundbreaking ceremony and had a lot to catch upon, quiet the conversations we had for sure. We talked more often than people thought, but she was a very special friend and I'll hold her memories close..  
John and family, I'm very sorry for your loss, my Prayers are with you all.  
RIP, my friend

“ Debbie was a very special person and we all will miss her very much. She was always there to greet us on race nights and constantly surprised us with awesome goodies to eat in between races. Everyone looked forward to racing at John's place and she was a big reason why. Rest in peace Debbie.
