“ *Dorothy was like my mother. I will miss her just as much as I do my own mother. I played cards with her and Sandy 3 to 4 and sometimes more a week. Playing cards will not be the same. When we was playing Dorothy would get aggravated at Sandy and I if we were talking that she would call the cards louder and faster. I will miss that.*

Years ago a group of us got together went to eat for our birthdays, we all loved getting together.

Dorothy/ MOM I will miss you, I love you. Enjoy you new life with your heavenly Father and all the beauty there.

I will think of you often Grace
