“ I remember Edie as a kind person who was always smiling. She would give me enthusiastic updates on Pam and the rest of her family when I would see her out and about over the years. I am so sorry I won't be able attend her service. The whole Mulhall family are in my thoughts and prayers at this difficult time.

“ To Edie's family,Edie was one of my longest and dearest friends.I worked with Edie side by side at McAlpins.We talked everyday we worked together,and mostly about our Children.Our children were both of us lifes.She loved you all so much I was with her through all your weddings,she was so proud.I was so proud of how proud she was so proud of each and everyone of you.She was always there for me ,she introduced my son Jason to you Marty,and today Jason speaks of you often.Marty you were were like your mom a great influence on my son.Pam it was always so fun when you were around.Edie always talked about things you did together.Jimmie you always kept her on her toes.I just cant say enough about your mom,she was always precious to me. I've moved to Ky and her and I lost connection after my son Davey,passed,I remember her coming to the visitation,she was always there for me. I cant be there for her last visitation,but in my heart she will always be.I know the heavens received another precious angel. I loved you Edie my special dear friend,will see you again someday.
