“ Ed was my inside sales contact whom I worked with for many years. He is a wonderful person and I will miss talking with him and hearing his laugh very much. He could always make me feel good no matter what kind of day I was having. I hope you find peace in knowing what a wonderful man he was and how he touched so many people's life. He will be missed dearly! My thoughts and prayers are with you.

“ Ed worked for a supplier of ours and he was our inside contact. I loved talking to Ed because he had the best stories and could always make me laugh. We spent a lot of time talking about his kidney transplant because I have a friend who went through the same thing and he was very encouraging. I'll miss his laugh but I know he'll be entertaining everyone in heaven and I find comfort in that. My heart breaks for his family who he loved very much but I hope you find your peace with his passing. May God bless you!
