“ *Andy & Gail: Your tribute to your Mother that was her obituary was simply wonderful. Your Mother had a wonderful long life but no matter how long we have our Mothers it doesn't make it any easier when we lose them. Butch and I are sorry that we could not attend the visitation or the funeral. However, we want to extend to you both our deepest sympathy on your loss. You both are in our thoughts and prayers.*

“ *What a wonderful, long life your Mom had. I'm glad you had her for such a long time. She was my mom's favorite coworker and friend at the Mayfield cafeteria for the many long years they worked together. I can remember our moms introducing you and me where we were small kids in the cafeteria. What a hard working, sweet lady she was.*

*If you run across that old photo of all the Mayfield cooks, will you please call me and let me make a quick copy of it? (513-240-8317)
Our thoughts and sympathies are with you, Andie.*

“ *My love and prayers to the family of one of the sweetest little ladies I've had the privilege of knowing. I am happy you enjoyed your applebutter from Pigeon Forge and I will think of you when I am eating mine. I will miss our phone chats and joking about "going out running around". Andie, thanks for sharing your mom with me cause I called her mom too and I enjoyed spending time with both of you. Sadly, I will miss your sweet smile but in my heart I know you are happy and are where you wanted to be.*
