“ My husband and I would like to express our deep sorrow in the passing of Mr. Ni. We were greeted by him and his wife for many years with a smile and a “ how are you my friend?” He will be greatly missed. Continuing prayers for the entire family.

“ We are so sad by this unexpected tragedy. Peter and his family are exceptional people with the kindest and most generous hearts. Thank you Peter for all you have done for your community. Always a smile and going above and beyond with generosity. I'm so thankful with the support you've shown our children getting together for study group and serving them dinner at no cost. You are a wonderful example of our small community with a big heart. Dana and Jenna sends love and comfort to the Ni family.

“ Trenton will not be the same without Peter wearing his Ohio State hat and greeting you as the door to his restaurant opened. He always made you feel special no matter how busy he was. I will continue to support his restaurant as his family carries on his legacy.

“ I will never know how he did the amazing job that he did of being everyone's buddy! He knew my husband years before, but treated me like he knew me the whole time. He took the time to know the town and will be so very missed! My heart hurts for his family as they lay this wonderful man to rest. RIP buddy! Love the Finamore's (Matt and Kristin)

“ *The first time we came into the restaurant, Peter greeted us like old friends and when he overheard my husband say he didn't like egg rolls. Peter told him "they're made fresh every day". From then on, when we ordered, he'd put hubby's egg roll on my plate! We thought it was awesome that out of all the people he saw every day, he remembered my husband didn't like egg rolls!*

We're sorry for his loss to his family, friends, and the community...the world's a less brighter place with him gone.

“ *Peter my friend you will be terribly missed. You always had a smile on your face and some kind of joke to tell me. You always greeted me with Brad my friend and you truly were my friend. You were hard working, loving husband, father, family man and successful business man. You left us far to soon and left us all with a hole in our hearts.*
