“ Frankie was a very sweet woman. My mom and her used to play cards weekly, sometimes a couple times a week and I would go to her house and hang out with her son Eddie. I only have very fond memories of her and how gracious she was when we did visit. Rest in Peace Frankie, I'm sure you will be missed dearly.

*She started out as my mother in law, but ended up so much more, we shared 38 years together as like a mother/child relationship, she taught me to be a good mom, but a great mamaws by her leading the example as she lived her family more than life itself. I'll be missing you so badly, save me a seat up there. RIP Frannie*
