“ *I just found out about my Aunt Gail yesterday from my cousin Jackie. I am devastated that I didn't know. I loved her and Uncle Jack very much and they kept in touch with me as the rest of my family doesn't live in Ohio. Aunt Gail called me frequently before her health declined and we would talk and laugh. I would stop by their house and visit them both often before life became so busy with my very young grandchildren 3years old and 6 years old. I will miss her warm hugs and kisses. She always made me feel so loved and a part of the family especially since I don't have any of my immediate family anywhere close by. I hate that I didn't know about her death or memorial service until yesterday but, I know that she knew how much I loved her and that is the most important thing. I love you and will miss you Aunt Gail! I will see you and Uncle Jack again with Grandma Ree on the other side! Pamela Stauder-Bunch*

“ Dear Family of Gail, I was so saddened to hear about Gail's passing. We were in Town and Country Garden Club and the Ohio Garden Club Association together. She was a very talented flower arranger and won many awards in shows throughout Butler County. She worked on the Home Tours and many shows at Miami of Middletown University. She grew many beautiful plant and flower specimens which she showed in our club and area shows. Everyone loved Gail and we will miss her. We share in your sorrow. May it give you some comfort knowing she is in the arms of our loving Lord.
Sincerely, Edith Kohler, Middletown
