“ *Kristen, my thoughts and prayers are with you and your family--
What a comfort to know your Papaw is at peace and the parting is
only temporary. He helped create a legacy of faith that will continue
to live on!*

“ *When I think of my great-grandfather, I am greeted with memories
of hot summer days spent by his pool when I was a kid. I think of
how he taught me to swim, and how he would test the water with a
chemical strip then smile and say, "Someone's been peeing in my
pool!". I remember him doing dives and flips off the diving board and
then calling us out of the pool for fudgesicles. His smile and laugh
will always be what I remember about him the most!*
