“ *It was an honor to work with Greg. He was dedicated to his work, and did a great job. There was rarely ever any doubt of where he stood on anything, professionally or personally, and I truly valued his opinion and insight. Greg will always be remembered and missed at Dupps. Over the years I had heard many stories about his children, and it was an honor to meet them yesterday. He was so proud of each one of you.*

*Wishing you peace,
Matt Fisher*

“ *Brother Greg was truly "one in a million." We cherished his intelligence, his love, his family, and his lively sense of humor. Clara would love to be there to say farewell but can't, but Brigid and I will. We are thankful that you are now in heaven and your cares and woes are behind you. God bless you. Our heartfelt condolences to all the family.*

“ We are so sorry for your loss. I worked with Greg at Dupps for a long time, when he was working out on the shop floor & in the Engineering Dept. He had such intelligence & was our go-to person in Engineering for many, many years. He loved his family, spoke of you often. He loved being a "Poppy". We will miss him & his wit.
