“ *I worked with Hailey at Captain D's she was a hard worker a happy bright bubbly person and would do anything for anyone. No matter what she was going through she always had a smile on her face. She was always making me laugh and you could talk to her about whatever and she'd always listen and lend a helping hand. I'm so glad I got to see her recently she will definitely be missed. My condolences to her family and child.*

“ Hailey was a bubbly young lady. I worked with her at Tractor Supply and she was so fun to be around. She made working with her special because she always made me laugh and smile. We talked about life and how much she loved her son Noah. We shared a bond because she lost her mother like I did. My heart breaks knowing I'll never be able to talk to her again. Sending my condolences and prayers to her family and friends. She will be missed beyond measure. Fly high sweet Angel. I'll love you always.
