“ *I will never forget Mr. Sutton he was a client of mine. He would tell me about his war time experiences. He would tell me about his precious wife and how he met her and how proud he was when they had there son. Then He would tell me of all the grandsons ball games how he loved to go to them. But most of all I will remember him for how he would make both of us laugh when I was at his house. Love you Mr. Harvey Sutton Jr.*

“ *Chuck, Although I never met your Dad I had the privilege of working with you. I can only imagine what a great Father you had. I remember you would call him and you talk about your visit with your Dad the night before. I could tell he was your best friend. Please accept my deepest sympathy for you & your family during this sad time. Kind Regards, Vickie Razor*
