“ I really enjoyed every moment I was able to spend with Jim. I met him several years back at a Case knife event and looked forward to each one that I knew he and his dog would be at. I take care of the Case knives here at Ace in Richmond, KY which Jim frequented our Case events. He always came in the doors smiling and left the same way! He will greatly be missed, such a great and caring man! My thoughts and prayers are with the family!
