“ What can I say,Dad...(LOL) We never let things go long before one of us breaks down and fixes things. I let my hurt feelings keep me away one day too many. You know I had no more patience for your neighbors.

That's no excuse. We've been close friends for a lifetime. Probably knew more about each other than most would believe~

I always had a home with you, came with a little Sass but it was there!!

I love you, Jim ,but you know that. If only...

"Bet High" "You've got a better chance of seeing God" ... there's more but those are my favorites. Be nice to Susan. No goodbyes.

We'll see each other again one day!!

“ OH MY, I could probably write a book,,had a million cups of coffee on the phone with him at 5:30am, listening to to stories about his crazy love life,,, lol...He was one of a kind for sure. He would drop anything he was doing to come help me, bring me a spark plug for the lawn mower, or help me work on my van. He will be missed. Christine, Nadine, Robin, and Larry, ya'all are in my thoughts and prayers.
