*To my Aunt and family, I'm so sorry for your loss. As years pass it seems we go out separate ways. I think of you often and remember when Dad would come into town and the boys would gather around to listen to his stories. I'm so sorry and my thoughts are with you and prayers also. The right words I would just like to tell you all he will be loved up there as much as he was done here. My prayers go out to you, I feel you have an angel looking down and embracing all. Love Doreen*
