“ May "the hearer of prayer" continue to strengthen your family during this most difficult time. Share your memories they will be a comfort that will embrace your hearts.

Lean on one another for encouragement when the days ahead become to hard to bear alone. We hope that the many cards, hugs, kind words, and loving prayers sustains your family and grants you peace.

“ Mike had the purest heart of anyone I have ever met. If it meant giving you the shirt off his back or giving you his last five dollars, he was there for you. It was Mike who introduced me to my husband. He is the reason I am blessed today. He was a treasure to this world and we have lost him too soon. I cannot say enough how much Mike meant to me and my family. He was my friend, brother, and now angel. He made every one of us better. I don't know how we are going to live without him. I wish him the peace and joy he so much deserves. His children and niece (Teagan) will always have an amazing man watching over them. Mike, will always be in our hearts and we will never forget you. We love you so very much. Until we meet again...my brother, friend, and angel to us all. I wish this was a bad dream I need to wake up from but if I never wake please find peace.

Love you always,

Sabrina, Will, Teagan
