Growing up in Ohio, you were like a second mother to me. Throughout my life you and your family were one of the best things in my life. That sprung from your kindness, thoughtfulness and love. I miss you very much and always will.

To my most beautiful and wonderful mother...your beautiful spirit will burn brightly in my heart until my final breath. God blessed me and Tommy with the most loving mother he had in his host of angels. You were so kind to so many whether it be a patient or a stranger. I always was told where ever we were as we would walk away....your mom is the sweetest lady. I always smiled and said I know. I love you so much my heart will be broken from this moment on!

“ *My best friend's mother, the sweetest woman I have ever known, always greeted me with a smile and kind words, such caring and compassion for all. I know she is so loved by her children and family, yet I hope she knew she was loved by so many of us who she treated like family. God Bless you Mrs. Darrell, and Rest In Peace.*
