“ To The Family of Janet,

I am deeply saddened to hear of Janet's passing. I had the privilege of mowing her lawn for many years, and each visit was always brightened by her warm smile and weekly wave. Walking into her home, it was clear how much comfort she found in her gospel music and listening to the Word — a true reflection of her faith and spirit.

One of my last visits with Janet remains especially meaningful to me when she said, "Thanks for being a good friend." Those words meant a great deal, and I will cherish them always.

I take comfort knowing she is now free from pain, at peace, and resting in a place of eternal joy. God bless Janet and all her family during this difficult time.
