“ *I'm one of Janie's cousins. She was always very good to me. When I was young she lived in the upstairs apt. over us . Her husband had a gruff voice and I can remember hollering up and asking if he was home and if he answered I would run. He was never mean but his voice scared me. They would just laugh. Them and my mom taught me to play cards very young. I have wonderful memories of her.*
